

Remarks

Applicants provide herewith, a second preliminary amendment to place the case in condition for examination in accordance with 37 CFR 1.265(e)(2). Applicants respectfully request that any refund due to cancellation of claims be paid to the deposit account of Eli Lilly and Company. Applicants maintain that the present application includes only 22 dependent claims and one independent claim.

Applicants request amendment of the application prior to any action on the merits. The undersigned attorney may be contacted for any matters relating to this application.

Respectfully submitted,
